Professional skills

System administration
Active Directory
Linux
Cybersecurity
Virtualization / Docker

Web development
Node.js
React / Next.js / Vue.js
Symfony
Angular
REST APIs

Programming
Python
SQL
C++ / C / C# / Arduino
JavaScript / TypeScript

Project management
Agile methods

Data analysis
Big Data
Power BI

Certification:

CCNAv7

Interests:

Self-hosting
Sports: mountain biking, weight training...
New technologies
Blockchain, Web 3.0
Technical reading
Motorsport
Artificial intelligence
Finance and geopolitics
Science: biotechnology, aerospace

Strengths:

Curious
Committed
Calm
Organized
Diligent
Autonomous

Languages:

English: TOEIC 850 (B2)
French: Native
